Subject: Request for Official Endorsement to the Mindanao Halal Authority (MinHA)

I am writing to formally request your support and **endorsement** to the **Mindanao Halal Authority (MinHA)** regarding the validation of my capstone project, **Halal Keeps**.

As part of my current academic and technical development, I am building Halal Keeps, a digital platform designed to connect Halal-certified or Halal-practicing businesses with Muslim consumers. The system is engineered to streamline the certification workflow for both Halal Certifying Bodies (HCBs) and business owners, ensuring a more efficient and transparent compliance process.

Given your office's pivotal role in regional development and your commitment to fostering competitive business environments, your official endorsement would be instrumental. I am specifically seeking to engage with MinHA to ensure that the platform's digital readiness assessments and verification protocols align perfectly with their official standards and regulatory requirements.

I believe that this system has the potential to significantly benefit the local MSME sector by facilitating the path to Halal certification. I am available at your earliest convenience to discuss the technical aspects of this project or to provide a demonstration of the platform.

Thank you for your time and for your continued leadership in our regional development.

Sincerely,

Jasmine D. Duran
